

# PRESTIGIOUS FAIRWAYS WILL HELP DRIVE MORE PLAY TO YOUR CLUB.

Ask Conrad Broussard, Director of Agronomy at St. James Plantation in Southport NC. Or Berry Collett, Director of Golf Maintenance for Sea Island's famous Retreat Course at St. Simons Island GA. Talk to Michael Thomas, Director of Golf Course Maintenance at the Arthur Hills-designed Sunset Course and Tom Fazio-designed Sunrise Course at the Country Club at Mirasol in Palm Beach Gardens FL. They will all tell you that their TifSport fairways give them a leg up on the competition. Serious golfers

prefer to play on championship-caliber fairways. It's more than just eye appeal. It's about playability. How the ball sits up in the fairway. And for you it's about manageability. TifSport has superior sod strength and improved traffic tolerance, so it recovers very quickly from injury. It has excellent color, texture, density and cold tolerance. What more could you and your maintenance crew ask for? TifSport Bermudagrass. It's one sure way to bring more play to your club.
